

90cm built-in bottom mount refrigerator, panel ready with ice maker and water dispenser Modern Series

RBM90S5FPNS

This Bertazzoni 90 cm built-in refrigerator freezer is engineered and manufactured to meet the highest grade of quality and performance.

This unit has ample storage capacity, with 399 L of refrigerator volume and 157 L of freezer space. The refrigerator compartment has 3 shelves of which 2 are height-adjustable and 2 full extension crispers. Additionally, it features 1 Fresco drawer with separate digital controls. This zone precisely keeps the temperature -1°C to $+5^{\circ}\text{C}$, preserving fresh food nutrients, flavors, and visual appearance substantially longer. The Dual Cooling Total No Frost provides an automatic defrosting function for both evaporators to ensure optimized food storage conditions. The freezer compartment has 2 metal drawers and an automatic ice maker.

The electronic touch-control LED interface simplifies setting and monitoring of all vital functions. LED lights on the top and sidewall provide clear illumination of the interior space. The internal water dispenser is equipped with an inline filter for hygienically clean drinking water and ice.

E Energy Rating ensures a highly reduced energy consumption, while providing optimal performance ratings

All Bertazzoni appliances are covered by a 2-year warranty.
